## **SIGN UP** FOR THE **CATHOLIC ADVOCACY NETWORK**

[www.micatholic.org/can/](http://www.micatholic.org/can/)

**Join with thousands of Catholics across the state** to protect religious liberty and to help faith-based institutions and individuals act in concert with their moral beliefs. Help promote policies that strengthen conscience protections, especially for those in health care and child placement agencies.

**The Catholic Advocacy Network provides** policy updates on religious liberty, as well as education, human life, health care, and economic justice, and facilitates communication between elected officials and Michigan Catholics. When a critical issue arises that requires your Catholic voice, you will receive an email with background information asking you to contact those officials. It's free and easy!

**Through the Catholic Advocacy Network,** you can strengthen the Catholic voice in support of America's first freedom, religious liberty. Take a few moments and sign up today!
